ATTENTION MASTERSBALL'S FANS -- Here is your chance to teach the Master a lesson. Come join me as I enter a team in the Mastersball $300 Freeroll on DraftStreet.com. I am so confident that I can beat you that I will reveal my entry Friday morning in Organized Chaos. I dare you to prove me wrong!

If you haven't heard yet, there's a new way to play fantasy baseball that turns the season long grind into quick one night leagues. And the best part is that you can win cash every single day. You draft a team for one night and get paid out as soon as the games end that night. DraftStreet.com is at the forefront of this new trend in the fantasy world and is giving us a great promotion: a FREE one-day fantasy league with $300 in prizes exclusively for Mastersball fans.

This free contest will be salary-cap style drafting where everyone tries to assemble the best team out of the available players. You will have a $100,000 budget to build a team of 14 players consisting of the following: Catcher, 1B, 2B, 3B, SS, 3 OF, 2 Utility, 2 SP, 1 RP, and 1 P. Each MLB player has been assigned a price based on their expected fantasy performance.

You can adjust your roster up until the contest starts on Friday April 13th at 1:05 ET at which time your rosters will lock and the Live Scoreboard will be available.
